CERTIFICATE IN MEMORIAM

1954-2025

The Life and Legacy of Carl Otis Mosley Everett “Maestro”

A Reverent Tribute to Maestro’s Song

Early Life: Roots and Beginnings

Born on Friday, September 24, 1954, in Saginaw, Michigan, Carl entered the world as the cherished son of Reverend Roosevelt Mosley, Mrs. Jane Mosley, and his birthmother, Lucretia Everett. His childhood was shaped by love, faith, and the gentle teachings of family—a prelude to the lifelong melody he would compose. As we move from the foundation of his upbringing, we find the spark that ignited Carl’s passion for music.

Education and Musical Passion: Nurturing a Maestro

Carl’s academic journey began in the Saginaw Public School System and flourished at Delta College, where he dedicated himself to the study of music. Under the nurturing guidance of mentors like

Dr. Nurame Austin, Mrs. Claudine Wickes, and Mrs. Porterfield Carl's natural gift was refined and encouraged. He didn't simply learn music, he lived it, each lesson a note in the growing symphony of his life. Seamlessly, his education led him to cultivate a reputation not just as a musician, but as "Maestro" a title bestowed by those who witnessed his artistry and felt the warmth of his presence.

Church Membership and Leadership: Guiding with Spirit and Song

Carl's devotion extended beyond performance, anchoring him in roles of spiritual leadership. As Minister of Music at St. Paul Missionary Baptist Church, under his father Rev. Roosevelt Mosley, and later at Zion Baptist Church, first with Rev. Roosevelt Austin and now Pastor Rodrick Smith, Carl shaped worship experiences and nurtured congregations. His ability to unite voices and spirits was legendary. Choirs found their harmony under his guidance, congregations felt uplifted, and faith grew in the cadence of his arrangements. Transitioning from his life in service, we turn to the chorus of family and friends who shared the stage of his life.

Career and Service: A Life Composed in Service and Song

Carl's career was more than a profession—it was a calling. Celebrated as both a psalmist and a masterful musician, he wove faith and compassion into every note. His music became a source of inspiration at weddings, a balm at funerals, and an anthem at church events. Whether professionally serving at Paradise Funeral Home or Browne's-Evans Funeral Chapel, Carl's music was a thread connecting hearts, offering solace where words fell short.

Family and Loved Ones: The Harmony of Kinship

The tapestry of Carl's life is rich in the threads of family, love, and friendship. Though his passing leaves a space impossible to fill, his legacy endures in the hearts of those he touched—his beloved nephew David Richmond, whom he raised as a son; his siblings, each carrying forward his spirit; Terry (Linda) Everett, Gregory (Kaye) Everett, Kathleen (Edgar) Rainey, Joyce Brown, Carol Purches, Leslie Caradine, and Rev. Roosevelt (Yashica) Mosley Jr., his maternal Aunt Ellen Williams Kindred; a multitude of nieces, nephews, great-nieces and nephews, and cousins. The joy and laughter shared with special friends—Mary McDonald, Dona Austin-Bigby, Dellena Conner, Betty Holmes, Stephanie Ford, the Casey Family, his Godson Jimmy Bell—we honor these relationships, we pause to remember those who preceded him, forever part of his song.

Music Continues: The Eternal Melody

We may mark the date and hour of Carl's passing, yet the true movement of his spirit defies time. The music of his life has not ceased—rather, the key has shifted, inviting us to listen anew. Like the pause between notes, we stand in a space made sacred by memory and hope, where presence transforms, and God orchestrates new beginnings. Carl's legacy is a living composition; its melody is carried forward by all who loved him. We listen now with the ears of our hearts, attuned to a harmony that persists beyond silence. Carl taught us that music is more than sound, it is the gentle whisper of compassion, the embrace of community, and the promise that, though the song may change, it never truly ends.

The Saginaw County Board of Commissioners sends its deepest sympathy to the family and friends of Carl Otis Mosley Everett, along with its remembrance of his contributions and achievements to the residents of the City of Saginaw and Saginaw County.

FROM: COMMITTEE ON LABOR RELATIONS 5.1

OCTOBER 21, 2025

The Labor Relations committee considered Communication No. 10-21-14 from Undersheriff Gomez, Sheriff Department, requesting a Personnel Control Number (PCN) to add a third position to the 416 Traffic Grant and fill it with a School Resource Officer during the summer months.

We met with Undersheriff Gomez who indicated that the position would allow for a third position serving in Traffic Division.

We recommend the creation of a new PCN in the 280 Fund, under the Traffic Grant (416). The position would be vacant for 9 months of the year and the School Resource Officer, covered partially from the 207 Fund and partially from the Motor Carriage Special Projects Fund would transition to this position for the non-school period. The three months would be funded through savings of the overtime from the Traffic Grant and allocated to this new 3rd PCN.

The Labor Relations Committee considered Communication No. 10-21-15 from William Stanuszek, Mosquito Control Director, requesting the creation and filling of a Temporary PCN to address a vacancy due to an employee's absence for military service.

We met with William Stanuszek who communicated that the Operations Manager is in the U.S. Army Reserve and will be deployed for a year. The temporary PCN will allow another employee to fill the Operations Manager role until the reservist returns from his commitment. The Operations Manager supervises mosquito control operations and fleet services. Approving the PCN will require no additional funding and will allow for the continuity of services.

It is the recommendation of your Labor Relations Committee to authorize the creation and filling of a Temporary PCN for the Operations Manager to address a vacancy due to an employee's absence for military service.

The Labor Relations Committee considered Communication No. 10-21-16 from Mary Catherine Hannah, County Administrator, requesting ratification of wage increases for all ten (10) non-union employees.

The Committee met with Administrator Hannah who communicated that as part of FY2026 Budget for the County of Saginaw, a base wage rate increase of 3% was included for the ten non-union positions. This increase matches the base wage rate increases for the majority of the bargaining units for 2026. The ten non-union positions are Health Officer, Administrator, Board Coordinator, Undersheriff, Personnel Director, District Court Attorney/Magistrate, Executive Assistant to the Administrator, Personnel Specialist, Personnel/Purchasing Administrative Assistant and Confidential Secretary in District Court.

It is the recommendation of your committee to approve the ratification of wage increases effective October 1, 2025 for all ten (10) non-union employees and authorize the proper county officials to make any necessary budget adjustments.

3. BOND DETAILS. The Bonds shall be designated “Saginaw County Sewage Disposal System Bonds (Richland Sewage Disposal System Improvements), Series 2025”; *provided that*, if the Bonds are not issued in calendar year 2025, the Public Works Commissioner may re-designate the Bonds to reflect the year in which the Bonds are issued. The Bonds shall be dated the date of delivery or such other date as approved by the Public Works Commissioner at the time of sale; shall be numbered from 1 upwards; shall be fully registered; shall be in the denomination of \$5,000 each or any integral multiple thereof not exceeding the aggregate principal amount for each maturity at the option of the purchaser thereof; shall bear interest at a rate or rates not exceeding 6% per annum to be determined by the Public Works Commissioner upon the sale thereof, payable on November 1 and May 1, in such years as shall be determined by the Public Works Commissioner at the time of sale; and shall mature on November 1, in such years and in such amounts as shall be determined by the Public Works Commissioner at the time of sale, provided that the final maturity shall be not later than November 1, 2057.

4. PAYMENT OF PRINCIPAL AND INTEREST. The principal of and interest on the Bonds shall be payable in lawful money of the United States. Principal shall be payable upon presentation and surrender of the Bonds to the bond registrar and paying agent as they severally mature. Interest shall be paid to the registered owner of each bond as shown on the registration books at the close of business on the 15th day of the calendar month preceding the month in which the interest payment is due. Interest shall be paid when due by wire transfer or by check or draft drawn upon and mailed by the bond registrar and paying agent to the registered owner at the registered address.

5. BOOK-ENTRY-ONLY SYSTEM. Initially, one fully-registered Bond for each maturity, in the aggregate amount of such maturity, shall be issued in the name of Cede & Co., as nominee of The Depository Trust Company (“DTC”) for the benefit of other parties (the “Participants”) in the book-entry-only transfer system of DTC. In the event the County determines that it is in the best interest of the County to not continue the book-entry-only system of transfer or that the interests of the holders of the Bonds might be adversely affected if the book-entry-only system of transfer is continued, the County may notify DTC and the bond registrar and paying agent, whereupon DTC will notify the Participants of the availability through DTC of bond certificates. In such event, the bond registrar and paying agent shall deliver, transfer and exchange bond certificates as requested by DTC and any Participant or “beneficial owner” in appropriate amounts in accordance with this Resolution. DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the County and the bond registrar and paying agent and discharging its responsibilities with respect thereto under applicable law or the County may determine that DTC is incapable of discharging its

duties and may so advise DTC. In either such event, the County shall use reasonable efforts to locate another securities depository. Under such circumstances (if there is no successor securities depository), the County and the bond registrar and paying agent shall be obligated to deliver bond certificates in accordance with the procedures established by this Resolution. In the event bond certificates are issued, the provisions of this Resolution shall apply to, among other things, the transfer and exchange of such certificates and the method of payment of principal of and interest on such certificates. Whenever DTC requests the County and the bond registrar and paying agent to do so, the County and the bond registrar and paying agent shall cooperate with DTC in taking appropriate action after reasonable notice to make available one or more separate certificates evidencing the Bonds to any Participant having Bonds certificated to its DTC account or to arrange for another securities depository to maintain custody of certificates evidencing the Bonds.

Notwithstanding any other provision of this Resolution to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal of, interest on and redemption premium, if any, on the Bonds and all notices with respect to the Bond shall be made and given, respectively, to DTC as provided in the Blanket Issuer Letter of Representations between DTC and the County. The Public Works Commissioner is authorized to sign additional documents on behalf of the County in such form as the Public Works Commissioner deems necessary or appropriate in order to accomplish the issuance of the Bond in accordance with law and this Resolution. Notwithstanding any other provision of this Resolution to the contrary, if the Public Works Commissioner deems it to be in the best interest of the County, the Bonds shall not initially be issued through the book-entry-only transfer system of DTC.

6. BOND REGISTRAR AND PAYING AGENT. The Board of Commissioners shall designate, and the Public Works Commissioner may enter into an agreement with, a bond registrar and paying agent for the Bonds that shall be a bank or trust company located in the State of Michigan that is qualified to act in such capacity under the laws of the United States of America or the State of Michigan. The Board of Commissioners from time to time as required may designate a similarly qualified successor bond registrar and paying agent. Alternatively, the Board of Commissioners may designate the Saginaw County Treasurer as bond registrar and paying agent for the Bonds.

7. OPTIONAL PRIOR REDEMPTION. The Bonds may be subject to optional redemption prior to maturity as determined by the Public Works Commissioner at the time of sale of the Bonds.

8. EXECUTION, AUTHENTICATION AND DELIVERY OF BONDS. The Bonds shall be executed in the name of the County by the manual or facsimile signatures of the Chairperson of the Board of Commissioners and the County Clerk and authenticated by the manual signature of an authorized representative of the bond registrar and paying agent. After the Bonds have been executed and authenticated for delivery to the original purchaser thereof, they shall be delivered by the County Treasurer to the purchaser upon receipt of the purchase price. Additional Bonds bearing the facsimile signatures of the Chairperson of the Board of Commissioners and the County Clerk may be delivered to the bond registrar and paying agent for authentication and delivery in connection with the exchange or transfer of Bonds. The bond registrar and paying agent shall indicate on each Bond the date of its authentication.

9. EXCHANGE AND TRANSFER OF BONDS. Any Bond, upon surrender thereof to the bond registrar and paying agent with a written instrument of transfer satisfactory to the bond registrar and paying agent duly executed by the registered owner or his duly authorized attorney, at the option of the registered owner thereof, may be exchanged for Bonds of any other authorized denominations of

the same aggregate principal amount and maturity date and bearing the same rate of interest as the surrendered Bond.

Each Bond shall be transferable only upon the books of the County, which shall be kept for that purpose by the bond registrar and paying agent, upon surrender of such Bond together with a written instrument of transfer satisfactory to the bond registrar and paying agent duly executed by the registered owner or his duly authorized attorney.

Upon the exchange or transfer of any Bond, the bond registrar and paying agent on behalf of the County shall cancel the surrendered Bond and shall authenticate and deliver to the transferee a new Bond or Bonds of any authorized denomination of the same aggregate principal amount and maturity date and bearing the same rate of interest as the surrendered Bond. If, at the time the bond registrar and paying agent authenticates and delivers a new Bond pursuant to this section, payment of interest on the Bond is in default, the bond registrar and paying agent shall endorse upon the new Bond the following: "Payment of interest on this bond is in default. The last date to which interest has been paid is _____, ____."

The County and the bond registrar and paying agent may deem and treat the person in whose name any Bond shall be registered upon the books of the County as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of the principal of and interest on such Bond and for all other purposes, and all payments made to any such registered owner, or upon his order, in accordance with the provisions of Section 4 of this Resolution shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the County nor the bond registrar and paying agent shall be affected by any notice to the contrary. The County agrees to indemnify and save the bond registrar and paying agent harmless from and against any and all loss, cost, charge, expense, judgment or liability incurred by it, acting in good faith and without negligence hereunder, in so treating such registered owner.

For every exchange or transfer of Bonds, the County or the bond registrar and paying agent may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer.

The bond registrar and paying agent shall not be required to transfer or exchange Bond or portions of Bonds which have been selected for redemption.

10. FORM OF BONDS. The Bonds shall be in substantially the following form:

Following the receipt of bids for the Bonds, the Bonds shall be awarded to the successful bidder therefor pursuant to a written order (the "Sale Order") to be executed by the Public Works Commissioner at the time of sale of the Bonds and which shall set forth, with respect to the Bonds, the principal amount, principal maturities and dates, interest rates and interest payment dates, redemption provisions, if any, and purchase price to be paid by the purchaser, as well as such other terms and provisions as the Public Works Commissioner determines to be necessary or appropriate in connection with the sale of the Bonds. In the event an outstanding matured Bond is lost, apparently destroyed or wrongfully taken, the Public Works Commissioner may authorize the bond registrar and paying agent to pay the Bond without presentation upon the receipt of the same documentation required for the delivery of a replacement Bond. The bond registrar and paying agent, for each new Bond delivered or paid without presentation as provided above, shall require the payment of expenses, including counsel fees, which may be incurred by the bond registrar and paying agent and the County in the premises. Any Bond delivered pursuant the provisions of this section in lieu of any Bond lost, apparently destroyed or wrongfully taken shall be of the same form and tenor and be secured in the same manner as the Bond in substitution for which such Bond was delivered.

PROCLAMATIONS

NATIONAL CELEBRATION OF PRO BONO WEEK – OCTOBER 19 – 25, 2025

Whereas, October 19 – 25, 2025 has been designated by the American Bar Association, the State Bar of Michigan, and the Saginaw County Bar Association as National Pro Bono Week, to recognize the valuable pro bono contributions made by attorneys throughout the year; and,

Whereas, The Latin term “pro bono” literally translates to “for the good.” Access to justice is a fundamental and essential right to a democratic society. Countless citizens cannot afford the legal representation that they need to protect their lives, property, and natural liberties; and,

Whereas, Volunteer local attorneys donate thousands of hours of pro bono time each year, since the National Celebration of Pro Bono began in 2009. The invaluable contributions of those attorneys help to ensure and protect a just society for every citizen.

Now, Therefore, Be It Resolved, That the Saginaw County Board of Commissioners recognizes the week of October 19 – 25, 2025 as Pro Bono Celebration Week, commends Michigan attorneys for their ongoing pro bono contributions, thanks those who have given their time, and reminds all members of the Bar Association that by engaging in pro bono work and providing financial support they can make a significant difference in the lives of Michigan’s poor who would not otherwise have access to the legal system.

In Witness Whereof, the seal of the County of Saginaw has been affixed and the proclamation adopted by the Board of Commissioners on the 21st day of October in the year of our Lord, two thousand twenty-five.

OCTOBER AS DOMESTIC VIOLENCE AWARENESS MONTH

Whereas, every October, organizations, communities, and individuals across the nation recognize Domestic Violence Awareness Month as a time to honor and uplift survivors, remember those we’ve lost, and unite our voices, experiences of survivors, and efforts to end abuse; and

Whereas, what began as a single “Day of Unity,” in 1981, the month of October was later declared by Congress to be Domestic Violence Awareness Month (DVAM) in 1989 and has become a national campaign dedicated to educating and raising awareness, empowerment, and action. DVAM is a powerful opportunity to elevate survivor voices, foster healing, and connect our community to meaningful change; and

Whereas, community matters. Domestic violence thrives in silence. By fostering a culture of support, we can ensure that survivors feel safe seeking help. Raising awareness about healthy relationships and warning signs of abuse can empower individuals to protect themselves and others. Legal and social protection is crucial. Rights and protections must be continuously defended and strengthened to create lasting safety for all; and

Whereas, advocacy creates change. We must continue to push for policies and programs that support survivors and prevent abuse. Survivors deserve physical, emotional, spiritual, and financial safety and have a right to live in homes, and exist in workplaces, neighborhoods, and institutions that are free of violence; and

Whereas, living through and healing from trauma can be a lifelong journey. Survivors are deserving of support and care at all stages of their lives. Nobody should have to stand alone in the face of hardship. Community connectedness is critical to effective advocacy. We must continue to show up for survivors. Now, Therefore, the Saginaw County Board of Commissioners hereby proclaims October 2025 as

Domestic Violence Awareness Month

and calls upon the people of the County of Saginaw to recommit to our community by increasing awareness and understanding of domestic violence, by supporting victims and their families and increasing the support for agencies and shelters that provide services to the victims in our community.

- ❖ The Saginaw Fire Department held its annual Awards & Memorial Ceremony on October 7th. Chairman Tany was in attendance along with Commissioner Webster, Prosecutor McColgan, and Judge Gafkay. They gave out a number of awards, including the Firefighter of the Year award to Lt. Colin Horgan. In addition, they presented a Chief’s Special Recognition Award to Hemlock Semiconductor, American Excavating, and the Robert E. Stark & Martin H. Stark Foundation. He thanked them all for their efforts.
- ❖ Chairman Tany and Commissioner Kaczynski attended the October 8th groundbreaking event for Tri-Star Trust Bank’s new building, which is located in the Medical Diamond next to Garber Management Group. It was a heavily attended event, and he thanked Commissioner Kaczynski for being there.
- ❖ Chairman Tany attended the Press Conference at the Dow Event Center for Michigan Arsenal, a new Arena Football team that will debut next April. Commissioners Coney and Kaczynski were also in attendance. The next day, October 16th, Chairman Tany attended the Saginaw Promise fundraiser luncheon at Horizons Conference Center. The topic was the Medical Diamond and Commissioner Kaczynski was one of the panelists, who did a nice job of getting the word out about the County Health Department, since the moderator didn’t mention it.
- ❖ Chairman Tany stated that he has been to several events lately where there were 2 – 3 other events at the same time and date. He shared that the Saginaw County Chamber of Commerce has a Master Event Calendar that people from businesses and organizations can refer to before planning an event. He brought this up because he knows we have department heads organizing various ribbon cuttings and events in the county.

- ❖ Chairman Tany asked commissioners to be cognizant of RSVPing to conferences and events, especially if it involves a monetary deposit. “We’ve had several events where commissioners are asked to RSVP and our Board Assistants do a really nice job of organizing responses. However, there have been a couple of recent events where individuals have RSVP’d and either not shown up or backed out at the last minute.” Aside from illness and emergencies, he believes we commissioners can do better at following through.
- ❖ Chairman Tany formally announced the **“Saginaw County Commissioner’s Cup,”** which will be awarded to the Saginaw County Employee of the Year and the Saginaw County Department Head of the Year. He has formed a 7-member committee, and the ultimate winners will be announced and awarded at the County’s Holiday Party on December 12th. An email blast will be going out explaining the details.

COMMISSIONER AUDIENCES

- ❖ Commissioner Kaczynski gave a shout-out to Jamie Furbush, CEO of the Frankenmuth CVB, for not only excelling at her normal workload but going above and beyond working on the Youth Sports Complex, setting up the outdoor skating rink, and the holiday street decorating. A big thank you to Jamie!
- ❖ Commissioner Boyd said, “Go Lions!” and that it’s good they have a bye week because the Michigan vs Michigan State game is this weekend.

ADMINISTRATOR REMARKS

- ❖ Administrator Hannah announced recommendations from the Wayfinding Study are being implemented, with a work group having met, and they are researching signage options for the governmental center campus. She also announced that WTA has been contracted for a Space/Use Study in the Courthouse.

By Commissioner Matthews, seconded by Commissioner Boyd; that the Board adjourn. Motion Carried. Thereupon, the Board adjourned at 5:37 p.m.

Respectfully Submitted,
