HOW WILL THE ADDITIONAL FUNDING IMPACT OUR ROADS?

GRAND TOTAL: \$44,556,539 ESTIMATED

*Estimated \$8 million MTF Revenue Increase for 2026

*Increase allocation to townships by \$700,000, likely to increase paving on local roads

- Most funds will still require a 50% match from the townships
- Without the millage revenue (\$10 million) many townships would not be able to match the additional funding available

*Increase funding for Local maintenance operations by \$800,000

*Increase funding for Primary maintenance operations by \$1,900,000

*Pave an additional 8 to 10 miles of primary roads each year \$3,000,000

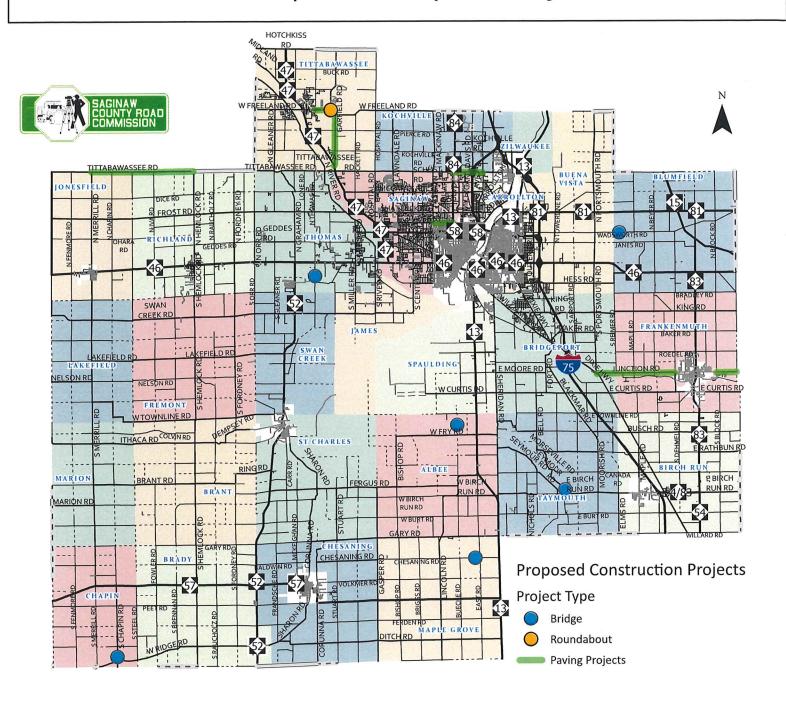

*Replacing older equipment/adding additional for efficiency & quicker response time \$1,100,000

*Reduce Drain Debt by paying off higher interest drain assessments \$500,000

*State Grant Other for \$1,200,000 is for building enhancements at the Saginaw Yard
