Saginaw County Health Department Partners with Great Lakes Bay Health Centers on Back-to-School Kids' Health Round Up Events

(Saginaw) – The Saginaw County Health Department (SCHD) and Great Lakes Bay Health Centers (GLBHC) are partnering on a Kids' Health Round Up event on Tuesday, July 21, at 1600 N. Michigan Avenue, with walk-ins welcome 8:30am-3:30pm along with “by appointment” car seat checks 11am-2pm. Appointments can be made [here](#).

Similar events are scheduled at the same place and time on Monday, August 10 and Tuesday, August 18.

Each event is designed to help families prepare for the start of the school year:

- GLBHC dental bus – SCHD north parking lot
- Car seat checks – SCHD south parking lot
- Immunizations – SCHD Room 109
- Hearing/vision screenings – SCHD Room 505

Facepainting is also available 11am-2pm under a tent in the parking lot.

By offering hearing and vision screenings, dental services, and immunizations together, SCHD and GLBHC hope to help families check several important items off their school readiness list in one visit -- saving time, reducing stress, and helping children start the school year healthy and prepared to succeed.
