Summer is winding down, and Fall weather is upon us. Planes are flying, and the airport is busy! Statistics show arrivals and departures at KHYX are up 144% compared to the same period two years ago, in 2023!

Spring mosquito control operations were a big success this year, with no major problems encountered.

In other news, the airport did have some issues with runway lighting this summer, and these were fixed with some new electronics. Mastic Sealer repaired cracks on Runway 10/28, paid for with a \$52,900 grant from State of Michigan.

Fuel prices are: 100 Low Lead fuel at \$5.65 per gallon (self-serve), Jet A fuel at \$5.90 per gallon (self-serve), and \$7 per gallon (full-serve).

Hangars remain at 100% full capacity.

!!Be Ready Saginaw County!!

October's Objective:

FOOD AND WATER

Disasters happen anytime and anywhere without warning. When disaster strikes it is easier to cope when you are prepared.

!!BeReady Saginaw County!! recommends storing a 2-week supply of food and water.

WATER

- One gallon of water per person per day, for drinking and sanitation.
- Children, nursing mothers, and sick people may need more water.
- If the weather is warm, you may need more water.
- Store commercially bottled water or store tap water in tightly sealed clean plastic containers (such as soft drink bottles)

Where can I find these items? Local grocery stores will have the items you need to buy to create an emergency food and water supply.

FOOD

- Store a two-week supply of non-perishable food for each person in the household.
- Pack a manual can opener and eating utensils (forks, spoons, etc.).
- Choose foods your family will eat.
- Select foods that require no cooking, refrigeration, or preparation, and little or no water.
 - Ready to eat canned meats, fruits and vegetables
 - Soups, bouillon cubes or dried soups in a cup
 - Protein or fruit bars
 - Dry Cereal
 - Peanut Butter
 - Dried Fruit
 - Nuts
 - Crackers
 - Canned juices
 - Powdered milk
 - Instant food and food for people with special diets
 - Comfort foods – cookies, candy, instant coffee, teabags
 - Pet food

Tips for success.....

- Date your food with a marking pen and rotate your supply every 6-12 months. Be sure to pay attention to the "Use By" dates and dispose of any outdated items.

DIGITAL RISK BRIEFING

⚠ Security Awareness Tip – Fake CAPTCHAs

Cybercriminals are now creating **fake CAPTCHA tests** — the “I’m not a robot” checkboxes or puzzles you normally see when logging into websites. These fakes are designed to trick people into copying and running harmful computer commands. If you follow the instructions, it can install malware called *Lumma Stealer*, which quietly collects things like passwords, saved credit card numbers, and online accounts. The danger is that these fake CAPTCHAs look very convincing, so people often click without thinking.

👉 How to Spot a Fake CAPTCHA:

- Real CAPTCHAs never ask you to paste or run commands.
- Be cautious if a CAPTCHA appears in unusual places (like on news sites or random downloads).
- Always check the web address — look for misspellings or extra words.
- If something feels suspicious, close the page immediately.

Remember: If a CAPTCHA asks for more than a simple click or puzzle, it’s not real. Stay alert and contact the [ITSC Service Desk](#) if you have questions or concerns!

Walk A Mile In My Shoes Rally at Michigan State Capitol in Lansing

Persons served and volunteers from Saginaw County Community Mental Health Authority (SCCMHA) attended the 2025 Walk-A-Mile in My Shoes Rally hosted by the Community Mental Health Association (CMHA) of Michigan on Wednesday, Sept. 17, 2025.

Over 50 persons served by SCCMHA, as well as staff and other volunteers traveled to the State Capitol in Lansing to raise awareness for community behavioral health services, encouraging lawmakers to learn and do more for Michigan residents living with an intellectual or developmental disability, mental health challenges or substance use disorders.

The annual rally is attended by representatives from all over the state of Michigan who make statements on how their county's Community Mental Health (CMH) service providers help them, as well as an advocacy walk around the Capitol building.

"In times like this, it's important to make our voices heard by legislation that mental healthcare is vital to all who live in the State of Michigan," said Public Relations Specialist Andrew Ferguson. "SCCMHA is committed to fighting to ensure our persons served have all the resources they need to live their lives to the fullest."
