Proposal Section
County
Saginaw County Proposal 26-4 Saginaw County 9-1-1 Authority Millage Renewal Proposal
"For the purpose of replacing outdated radio equipment for Fire, Police and Emergency Medical Services and other equipment necessary for the 9-1-1 Central Dispatch System to effectively provide and ensure twenty-four hour public safety communications service to the citizens, communities and public responders of Saginaw County and for otherwise continuing operations of the Saginaw County 9-1-1 Authority, shall the County of Saginaw, Michigan (hereafter 'County') renew the previously authorized amount of general ad valorem taxes which may be imposed for all purposes upon all taxable real and personal property in Saginaw County, as provided in Article 9, Section 6 of the Michigan Constitution of 1963, as amended, which last resulted in a levy of 0.2800 Mill, and continue to levy up to 0.2800 Mill (\$0.2800 per \$1,000) of taxable valuation of such property as finally equalized during the years 2028-2037, both inclusive, which if approved and levied in its entirety is estimated to raise \$2,031,015 in the first year?"
City
City of Saginaw Proposal 1 Proposed City Charter Amendment to Section 45
The present section limits the property tax rate to the lesser of 7.5 mills or that needed to yield the same revenue as was received in the 1978-1979 fiscal year (\$3,828,778). It also provides for a temporary 3 mill additional tax for a declared emergency. The proposed amendment would eliminate the tax cap on the gross dollar amount of revenue that may be levied but otherwise maintains all other provisions, including the number of mills that may be levied. Shall this proposal be adopted?
Village
Village of Birch Run Proposed Street Millage Renewal
Shall the previous voted increase in the limitation on general ad valorem taxes in the Village of Birch Run, currently 1.5000 mill (\$1.50 per \$1,000 of taxable value), be renewed and levied for eight years, 2027 through 2034, both inclusive, subject to reduction as provided by law, to finance continued road maintenance of major and local streets in the Village? This proposed millage is a renewal of previously authorized millage which expires in 2026. It is estimated that a levy of 1.5000 mill would provide revenue of \$127,704 in the first year, if approved and levied. The revenue from this millage will be disbursed to the Village of Birch Run

Intermediate School District

**Saginaw Intermediate School District
Area Career and Technical Education
Millage Proposal**

This proposal will allow the intermediate school district to continue to levy millage previously approved by the electors for area career and technical education programs and restores millage lost as a result of the reduction required by the Michigan Constitution of 1963.

Shall the currently authorized millage rate limitation of .9962 mill (\$0.9962 on each \$1,000 of taxable valuation) on the amount of taxes which may be assessed against all property in Saginaw Intermediate School District, Michigan, to provide funds for area career and technical education programs, be renewed for a period of 10 years, 2028 to 2037, inclusive; and also be increased by .0038 mill (\$0.0038 on each \$1,000 of taxable valuation) for a period of 10 years, 2028 to 2037, inclusive, the estimate of the revenue the intermediate school district will collect if the millage is approved and levied in 2028 is approximately \$7,082,354 from local property taxes authorized herein (this is a renewal of millage that will expire with the 2027 tax levy and a restoration of millage lost as a result of the reduction required by the Michigan Constitution of 1963)?

Local School District

**Merrill Community School District
Operating Millage Renewal Proposal**

This proposal, if approved by the electors, would, renew, restore and extend the authority of the School District to levy the statutory limit of 18 mills on all property, except principal residences and other property exempted by law, which currently expires with the School District's 2026 tax levy and allow the School District to continue to levy the statutory limit of 18 mills in the event of future Headlee rollbacks required by the Michigan Constitution of up to 2 mills. The authorization will allow the School District to continue to receive revenues at the full per pupil foundation allowance permitted by the State. Shall the limitation on the total amount of taxes which may be assessed against all property, except principal residences and other property exempted by law, situated within the Merrill Community School District, Counties of Saginaw, Midland and Gratiot, State of Michigan, be increased, in the amount of 20 mills with 18 mills being the maximum allowable levy (\$18.00 on each \$1,000 of taxable valuation), for a period of ten (10) years, 2027 to 2036, inclusive, with 19.6240 mills of the above 20 mills being a renewal of authorized millage which will otherwise expire with the 2027 tax levy and 0.3760 mills being a restoration of previously authorized millage lost as a result of the rollbacks required by the Michigan Constitution? This operating millage if approved and levied, would provide estimated revenues to the School District of \$779,321 during the 2027 calendar year, to be used for general operating purposes.
